B-201 Series

Hand Changing Combination Locks

THIS LOCK IS SET ON NUMBERS.....

TO OPERATE LOCK—

1st. Turn (do not spin) dial four or more times to the RIGHT, stopping when number.....comes to the mark at top of dial ring.

2nd. Turn to the LEFT, stopping when number.....comes the THIRD TIME to the mark.

3rd. Turn to the RIGHT, stopping when number.....comes the SECOND TIME to the mark.

4th. Turn slowly to the LEFT, until dial stops; door bolt can then be thrown. To LOCK, throw bolt handle to locked position, turn dial four or more times to the RIGHT.

TO CHANGE COMBINATION—

1st. Operate lock and open door, then operate lock to its locked position by rotating dial to **Right** a few times. (Select and make a memo of the new numbers for combination.)

2nd. Remove lock lid which can be done after taking out the two screws which hold the relock plate over the lid, and the lid to the lock; place lid on some level surface with the tumbler assembly up and spring off the wire ring that retains the tumblers on the center post. **Note carefully the order in which tumblers and washers come off the post** so that no difficulty will be encountered in later replacing the parts in proper order.

3rd. Take the No. 1 tumbler with the numbered side up and remove the center disc by pressing it upward, then replace it so that the mark on the raised rim will be in line with the first number of your new combination. Place tumbler on center post with the numbered side up, then add one small spacing washer.

4th. Change tumblers No. 2 and No. 3 in exactly the same manner, to set them on the second and third numbers of your new combination, and put them back onto the post, with the washer between No. 2 and No. 3 tumblers in proper place, then spring on the wire ring.

5th. Examine the completely assembled lid and turn the tumblers by hand (these parts are not free enough to spin, just turn) to be sure that the moving parts are free from any binding or tightness.

6th. Replace the lid on the lock case, put the relock plate over the lid, insert and tighten the two screws.

Now be sure to operate the lock completely several times, on the new combination, before closing and locking the door to be certain that lock is properly set.

GENERAL INSTRUCTIONS—

In so far as possible, have the unit to which the lock is attached, level. Never whirl the dial — always turn it carefully. Refusal of lock to respond would be due to improper operation or treatment. If at any time the lock does not properly respond, do not use force.

TAX SEARCH

Recorder of Cook County Clerk and Cook County Treasurer were also checked. The Warrant Book for the taxable year 1961 was with Treasurer of the Village of Rosemont for posting on September 10, 1962. The Warrant Book for the taxable year 1960, Book #65, page 238, disclosed assessed valuation of that part of Lot 2 hereunder review as $10,249 for the taxable year 1960. Taxes assessed were $218.10 each installment. Assessed valuation of Lot 3 was $51,607, and taxes were $1098.21 each installment. Assessed valuation of Lot 4 was $5,457 and taxes were $116.13 for each installment. Taxes were paid by Joseph Schullo, 9467 W. Higgins Road, Rosemont, Ill.

CONCLUSION OF TITLE SEARCH

From Cook County Records quoted in above title search, it appears the title to Lots 2(except the Southeasterly 85 feet thereof) and all of Lot 3 is vested in LaSalle National Bank, Chicago as Trustee under Trust #22620, and title to Lot 4 is vested in Richard Evenhouse, 6021 Hawthorne St., Des Plaines, Ill. There also appears to be a question of adverse possession to Lot 4 between Richard Evenhouse and Garden City Disposal Co. Inc. (See Document #18496272 and Document #18548548. Also see comments).

COMMENTS

This tract of land and its indexing in the respective Tract Book and the indexing of certain documents pertaining to it, presents a most peculiar series of errors and omissions on the part of the Recorder of Deeds of Cook County, Ill.

Stephany's Subdivision is indexed in the current breakdown index as Book 59-A, when in fact it is indexed in 44-J.

Two Deed Documents are not entered in the Tract Book. These are a Deed in Trust, Document #17498848, conveying the real property under review to its present owner, namely, LaSalle National Bank as Trustee under Trust 22620, and a Warranty Deed, Document #17498849, conveying the adjoining parcel to the East to its present owners, namely, Emil and E. Ruth Dorosh and Helen Dorosh. The omission of entry of these two documents does not affect the title or ownership, only makes it difficult for a layman or investigator to locate the conveyances. The mortgage by theLaSalle National Bank, Chicago, as Trustee under Trust #22620, has been entered in the Tract Book with a disappearing or fading type of ink and is hardly any longer legible. All other entries on this tract are legible. This faded ink has no effect on the mortgage but only makes it difficult for a layman or investigator to locate the particular document. It is here noted that similar omissions were found in the past pertaining to documents on The River Road Motel (now Thunderbolt Motel). These omissions have no bearing on the purity of the title, as the actual documents are properly recorded. Only the indexing is omitted. The question is raised, however, if in the future will documents filed also be omitted?

Lot 4 in the tract under review is now in title with Richard Evenhouse as recorded owner. It is noted that on May 8, 1962, Garden City Disposal Co. Inc., an Illinois corporation, gave a Grant Deed, Document #18496272, to Northern Illinois Gas Co. for the laying, maintaining, and servicing of a gas main through Lot 4. I fail to find a deed document from LaSalle National Bank conveying title to Garden City Disposal Co. The fact that the legal department of Northern Illinois Gas Co. accepted this grant deed is puzzling unless they were shown proof that the beneficial interest of Trust #22620 as it pertained to Lot 4 was with Garden City Disposal Co. Inc.

No doubt in your office some agent is working on the connection of the hoods with the scavenger and garbage collection business in the Chicago area. This transaction should be called to his attention.

The Grant Deed, Document #18441251, above mentioned, is signed by Richard Evenhouse as president of Garden City Disposal Co. Inc. and by Martha Molenhouse, Secretary.

P

Richard Evenhouse is an old sanctimonious Dutchman who is the king pin in the scavenger industry in Chicago. For several years I have tried to tie him with the hoods in the scavenger business with no success.

His operations are conducted from Rosemont, Ill. He is currently purchasing the scavenger business of Herman Mulder, Blue Island, Ill. and reportedly making payments to the I.R.S. on Mulder's Tax delinquency.

He is a millionaire that lived many years ago in Cicero and was well acquainted with the hoodlum element there.

He maintains a plush summer home on Lake Michigan about ten miles north of Holland, Michigan, where he keeps all members of his family for the summer months. His daughter, Martha, married Richard Molenhouse. The latter is his right-hand man and makes the contacts on stops and accounts driving a 1961 Chevrolet equipped with a two-way radio. The Molenhouses live in Wheaton.

Garden City Disposal Co. is reportedly currently negotiating to purchase equipment from certain hood outfits that could not get dumping rights from dump owners.

The above may be coincidental and I have never tied Garden City Disposal Co. direct with the hoods, but there is more here than meets my eye.

Also on Lot 4 is a large sign advertising the Thunderbolt Motel. I find no signed lease recorded. Maybe the sign was leased by the previous beneficial interest holder in Lot 4 under Trust #22620. Anyway, you can bet that Evenhouse now collects the rent and has a copy of an assigned sign lease.

He currently livesat 6021 Hawthorne St., Des Plaines, Ill. I am enclosing a copy of the D. & B. report on the Airliner Lounge, 9463-65 Higgins Road, Rosemont, Ill. It is not much of a report and probably has a successor ownership. It is all in file on that conern. I will send reports on Schullo Plumbing, Garden City Disposal Co. and Finn Restaurant.

O'Hare Apartment Corp. is located on the adjoining tract of land in Parcel 1 of the enclosed plats known as Lot 1, Block 1 in Higgins Road Ranchettes, a Subdivision of the W. 1/2 of Sec. 3, Twp. 40 N . R. 12. Time did not permit running this title. I will send the credit report on O'Hare Apartment Corp. when I get back.

I could find no record of the name Paternoster, on the tract under review. This does not mean he is not the owner or operator of the Airliner Lounge. He could be the tenant under an unrecorded lease. You will note the Finn's lease to LaSalle National Bank is recorded while Schullo's and the Airliner lease is not recorded. Another odd ball transaction. P

I am sorry that I could not find some conclusive proof to Paternoster, but a thorough search of Cook County records does not disclose his name at this location. Joe Macza is the tavern licensee of record. He is probably Paternoster's nominee, which is par for the course.

Also note the mechanics lien claim filed by American Marietta Co., Document #17593986, in which it names Joseph Schullo and George G. Donovan as owners of the property hereunder review. Apparently what happened here is that American Marietta Co. hired some title search company to furnish a legal verbatim of the tract as it appeared in County Records to establish ownership. The title search company reported the tract index as it appears and did not find the missing deed from the Donovans conveying Lot 2, except the S.E. 85 feet thereof, and all of Lots 3 and 4, to LaSalle National Bank. As the tract index appears, Donovan is the owner. This magnifies the comments about the missing document entries aforementioned.

Also Document #18496272, the Grant Deed from Garden City Disposal Co. Inc. to Northern Illinois Gas Co., is not entered in the Tract Index although it is recorded against Lot 4.

This whole tract and its indexing smells of a payoff to someone in the Recorder's Office to make errors and omissions to make it difficult for the average layman to follow the chain of title.

Chicago Title and Trust Co. will have this tract in their tract department in its pure form and correctly indexed. I don't use them, as on many of these title searches in the past where I have found suspect hood connections, they are the grantee in trust deeds. Searching their tract department requires a written order for the tract and someone checking the written orders later could pin point what I was checking and possibly tip off the hoods.

Checking the county records thoroughly gets the same results, only takes more time. However, no one knows what is being searched.

Dear Miss [redacted] was furnishing information to the F.B.I. I am sure of this because I went down for an interview as promised. He definitely was no agent, but they interview everyone going [redacted] and anyone who cooperates furnishes information, they haven't got enough trained agents to put their own men in the jobs. b6 b7C

The main point is that during the time I was talking to [redacted] the only thing of value that came out was you wrote a letter to [redacted] Since he has thought you were in [redacted] he will readily find out where you are from [redacted] and rest assure you they will interview the people around you down here.

MEMO TO [redacted]

b6
b7C

The following information was taken from Cook County Records. It is an analysis of land title records and is not to be construed as a legal opinion of title.

Location: 916 N. Milwaukee Ave., Chicago, Ill.

From an examination of Tract Index #413-B, page 177, in the Office of Cook County Recorder of Deeds, it appears that the above real property is legally described as

Lot 13, in the Subdivision of Block 25 in Canal Trustee's Subdivision of the W. 1/2 of Sec. 5, Township 39 North, Range 14 E.

CHAIN OF TITLE

Meyer Zimberoff acquired title to above described real property by Warranty Deed, Document #15084924, from William Olsher and Gladys Olsher, his wife, dated May 21, 1951, deed document filed in Deed Book 46763, page 137, filed for record on May 25, 1951. (See comments).

Manuel Zimberoff and Selma Zimberoff, his wife, gave a Quit-Claim Deed, Document #15248660, on above described real property to Geraldine Heal, a spinster, dated October 29, 1951, filed for record Jan. 7, 1952, filed in Deed Book 47528, page 132.

George J. Spensley gave an Agreement, Document #15347420, on above described real property to Harry Pavis, dated May 20, 1952, filed for record May 21, 1952. Deed Document filed in Deed Book 47966, page 294. (See Comments).

Chicago Title & Trust Co. gave a Release Deed, Document #15841331 on above described real estate to Emil R. Motzny, releasing a Trust Deed, Document #1464135. (This was an instrument recorded earlier than this chain of title which preceded Olsher in the fee) dated February 19, 1954, filed for record February 25, 1954.

Geraldine Heal, a spinster, gave a Quit-Claim Deed, Document #17113385, on above real property to Betty J. Lieberman dated Oct. 29, 1951, filed for record Jan. 17, 1958.

Betty J. Lieberman and Sidney Lieberman, her husband, gage a Warranty Deed, Document #17113386, on above described real property to Department of Public Works dated Dec. 28, 1957, filed for record Jan. 17, 1958, for right-of-way of Northwest Expressway.

Chicago Title & Trust Co. gave a Release Deed, Document #17150798, on above described real estate to William Olsher and wife (release a Trust Deed, Document #14964826, dated Nov. 29, 1950, recorded earlier than this chain of title when Olsher acquired title from Emil R. Motzny) dated March 4, 1958, filed for record March 10, 1958.

Nothing else appears of record.

TAX SEARCH

Records of Cook County Clerk and Cook County Treasurer were also checked. The real property hereunder reviewd has been exempt from taxes since Jan. 17, 1958, when title was acquired by Illinois Department of Public Works.

CONCLUSION OF TITLE SEARCH

Title to above described real property is vested in Illinois Department of Public Works since Jan. 17, 1958, and this particular location now is principally occupied by the main vertical support girder of the arch of the Milwaukee Ave. Bridge spanning the Northwest Expressway.

PLAT

AS THE PRESENT OWNER OF THE ABOVE DESCRIBED REAL PROPERTY IS THE ILLINOIS DEPARTMENT OF PUBLIC WORKS AND USING SAME AS A HIGHWAY NO DRAWING WAS MADE OF THE PROPERTY

COMMENTS

The above chain of title disclosed the building at 916 N. Milwaukee Ave. was purchased by Manuel and Selma Zimberoff from William and Gladys Olsher on May 21, 1951. Consideration from intangible stamps affixed to deed document cannot be established, as deed document photostat is not clear.

On Oct. 29, 1951, Manuel and Selma Zimberoff gave a quit-claim deed to Geraldine Heal, a spinster, whose residence was then Downers Grove, Ill., conveying title to Geraldine Heal in the real property at 916 N. Milwaukee Ave.

Simultaneously and at the same time Geraldine Heal gave a quit-claim deed to Betty J. Lieberman, quit-claiming her feehold on the real property at 916 N. Milwaukee Ave. This quit-claim deed was never filed for record until Jan. 17, 1958, the same day that Betty J. Lieberman and Sidney Lieberman, her husband, gave a Warranty Deed to the real property at 916 N. Milwaukee Ave. to the Illinois Department of Public Works. Thus Geraldine Heal, a spinster, Downers Grove, Ill. held title as a nominee for Betty J. and Sidney Lieberman from Jan. 7, 1952 to Jan. 17, 1958. The Notary witness to Documents #15084924, 15248660, 17113385, and 17113386 was an attorney, Joseph Lustfield, who then listed his office as Room 2112, 11 So. LaSalle St., Chicago, Ill.

Betty J. Lieberman and Sidney Lieberman listed their address only as Milwaukee, Wisconsin.

It is here assumed that Geraldine Heal was an employee of Joseph Lustfield, used as nominee, and Betty J. Lieberman was a relative of Manuel and Selma Zimberoff, probably a daughter.

Manuel and Selma Zimberoff purchased the real property at 916 N. Milwaukee Ave. subject to a Trust Deed given by Wm Olsher to Chicago Title & Trust Co. on Nov. 29, 1950, recorded as Document #14964826. This was a purchase money mortgage with proceeds used to pay off Emil R. Motzny and wife who preceded Wm Olsher and wife in title.

The agreement between Spensley and Pavis, shown as Document #15347420, was a Subordination of Indebtedness Agreement on a previous transaction not found on the tract and not regarded as important, as title is now held with Illinois Department of Public Works.

It is also here noted that certain conveyances and documents entered on Lot 13 were previously checked by someone. This someone enters a particular check mark on each document entry that he is interested in. It has been assumed by me that these pencil checks are made by an agent of the I.R.S, as they

have also been found on several tracts of land that pertain to Ben Jaffe's civil tax case in past title searches by me. This assumption on my part has been denied by the I.R.S. to me as their marks. If not theirs, they belong to someone who is also checking subject Syndicate related real estate.
